

WORKS OF MERCY

VISITING THOSE IN PRISON - BY WRITING

“...I was in prison, and you came to me”. Mt 26:36

Would you like to become involved in a very special work of mercy by writing to long term prisoners in a foreign country?

Divine Mercy Publications have set up a team of letter writers over the past few years to correspond with the inmates of a maximum security jail in Zambia, central Africa. Most of these are Catholics/Christians to whom we send reading and prayer literature as well as clothes and toiletries.

The requests for penpals are growing; our team of 265 writers correspond with over 400 inmates most of whom are in desperate need of consolation and encouragement.

Some never see their families and are in poor health. They are served by an Irish Catholic priest, whom they see 2-3 times per month.

We wish to continue this important work of mercy and need helpers to ‘adopt’ a prisoner and write on a regular basis, usually once every 1-2 months. Can you help?

We currently have a large waiting list of prisoner’s letters awaiting a writer to be allocated to them.

This is a long term commitment as writers and inmates often develop a close relationship over many years and the inmates need to know that this will continue.

Divine Mercy Publications/Trust will cover all expenses including sending funds via the prison Chaplain approximately twice per year to help the inmates purchase food, toiletries, medicines, clothes and in some case pay a portion of their children’s school fees to prevent them becoming ‘street kids’. All you need give is your time and mercy to these needy souls.

If you would like to know more please contact us.

Thank you for your consideration of this important request.
